Sign Up for Free Mobile Banking! It's Simple.

(Please note you must have an online AFCB account and a web-enabled cell phone with a text plan)

- Step 1:** Log into your AFCB online banking account and click the OPTIONS tab (top center of the page, above logo).
- Step 2:** Scroll down to the MOBILE BANKING section.
- Step 3:** Enter your mobile phone number, including area code (ex. 423-555-1111).
- Step 4:** Select your mobile carrier from the drop down list (ex. Verizon, AT&T).
- Step 5:** Select and enter a 4-digit numeric PIN and repeat. Click Submit.
- Step 6:** Upon successful completion, you will receive a **one-time** link via text to your mobile phone.
- Step 7:** Open the text message and select the link to launch the web browser for mobile banking.
- Step 8:** Enter your username (same username as your online banking account – case sensitive).
- Step 9:** Enter the PIN you selected in Step 5.

Each time you log on to your account, you will receive another text message with a new access link. The most recent text message link must be used each time you log into your mobile banking account.

It's Just That Easy.
